EXPLANATORY NOTE

This Amendment No. 1 to the Current Report on Form 8-K/A (this "Amendment") is being filed solely to amend the Current Report on Form 8-K, filed by Pieris Pharmaceuticals, Inc. (the "Company") with the Securities and Exchange Commission ("SEC") on July 18, 2023 (the "Original Report"), to provide an updated estimate of the total costs associated the Company's July 2023 reduction in force and restructuring (the "Workplace Restructuring"). No other changes have been made. The information contained in this Amendment does not reflect events occurring after the filing of the Original Report and does not modify or update the disclosures therein, except as specifically identified above.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On August 30, 2023, the Compensation and Management Development Committee of the Board of Directors of the Company approved retention benefits for retained employees (other than executive officers) in connection with the Workplace Restructuring. As a result of the Workplace Restructuring, the Company expects to incur estimated retention benefits, severance and related costs of approximately \$3.4 million through the second quarter of 2024. This is in addition to the estimated severance and other employee termination related costs reported on the Company's Form 8-K filed with the SEC on July 18, 2023.

The estimated charges that the Company expects to incur in connection with the Workplace Restructuring are subject to a number of assumptions, and actual results may differ materially from these estimates. The Company may also incur additional costs not currently contemplated due to events that may occur as a result of, or that are associated with, the Workplace Restructuring.

Item 9.01 Financial Statements and Exhibits.
