Item 8.01. Other Events.

On November 24, 2014, our board of directors approved a 2.272727-for-1 forward stock split of our common stock, \$0.001 par value per share (“Common Stock”), in the form of a dividend, with a record date of December 2, 2014 (the “Record Date”). On December 4, 2014, the Financial Industry Regulatory Authority (“FINRA”) notified us that the payment date will be December 5, 2014 (the “Payment Date”), the ex-dividend date will be December 8, 2014 (the “Ex-Dividend Date”), and the due bill redeemable date will be December 10, 2014. The stock split in the form of a dividend will entitle each shareholder of our Common Stock as of the Record Date to receive 1.272727 additional shares of Common Stock for each one share owned. Additional shares issued as a result of the forward stock split will be distributed on the Payment Date. Shareholders do not need to exchange existing stock certificates and will receive an additional certificate reflecting the newly issued shares.

Shareholders who sell their Common Stock before the Ex-Dividend Date are selling away their right to the stock dividend. Such sale will include an obligation to deliver any shares acquired as a result of the dividend to the buyer of the shares, since the seller will receive an I.O.U. or “due bill” from his or her broker for the additional shares. The day stockholders can sell their shares without being obligated to deliver the additional dividend shares is the Ex-Dividend Date, the first business day after the stock dividend Payment Date. As of the Ex-Dividend Date, our Common Stock will trade on a post-split adjusted basis. Upon effectiveness of the forward stock split, we will have 13,863,635 shares of Common Stock issued and outstanding.
